

rb3 SHOWER CORNER SHELF DATA SHEET

SCS-B

DESCRIPTION

At Redblock, our goal is to create the best quality stainless steel bathroom fixtures in the industry. Our rb3 Corner Shower Shelf is an attractive, ultra low profile stainless steel corner shelf designed to easily install into the an existing or newly remodeled shower. A simple, practical and elegant shelf to elevate your shower design.

ADVANTAGES

- Slots to drain away water & keep your soap from slipping
- Offset install tabs for rock-solid stability
- 3/4" gap behind prevents soap scum buildup at the wall
- Easily installs into 1/8" grout lines in existing showers or new remodels
- Integrated washcloth hanger and wash puff hanger
- 316 moly stainless steel for superior protection from corrosive cleaners and hard water
- 30 square inches of storage – large enough for a soap and 2 bottles
- Unique rb3 install tabs allow for installation into non-square shower corners
