

# REDBLOCK SHOWER NICHE DATA SHEET

N1014-M Shower Niche

N1028-M Shower Niche

# DESCRIPTION

---

At Redblock, our goal is to create the best quality stainless steel bathroom fixtures in the industry. We believe that our newly re-designed and re-engineered N1014-M and N1028-M shower niches are the most innovative, well-constructed, practical and safe shower storage products available.

## ADVANTAGES

- Brushed stainless steel finish.
- Redblock's unique slotted shelves keep your soap from slipping away
- Upper shelves include a washcloth hanger and loofa hanger
- Waterproof construction-fully welded unibody structure.
- Eliminates costly and complicated tile installation
- Easy to clean
- Super easy ½ hour installation
- A built-in tile border profile that accommodates tile thicknesses up to 1/2"
- Super solid 1.2mm sheet stainless steel construction
- M-Block™ flange-ensures secure wall attachment and bonding to any shower wall waterproofing membrane system
- Fabricated with 316 (18/8/2) sheet stainless steel for unparalleled corrosion resistance
